**Mold Solutions, Inc.  
4458 August Road  
Suite 4C  
Lexington, SC 29073**

**TO: Employees of Mold Solutions, Inc.**

**I appreciate the fine job your team did on my mother's house at Columbia, S.C. I will be sure to let Liberty Mutual know your firm.**

**You conducted yourselves in a professional manner and accomplished the job in a timely manner. Special thanks to your Field Supervisors, Jeff Stockweather and Tucker who kept the project moving smoothly and informed me of the Mold Solutions, Inc. protocols for mold mitigation.**

**I was particularly impressed during the pre-screening phase when you came out at your expense when Stachybotrys was discovered. Not only did you do more demolition at your expense to get at the problem but it rested on the shoulders of the contractors who "go the extra mile" to make sure the job goes right without a little extra money.**

**The results of the Pre-screening and Post Screening Reports were impressive. The reduction in heavy contamination with several different microorganisms including Stachybotrys to below expected or normal levels is dramatic. Mold Solutions, Inc. protocols are effective at mold removal and prevention.**

**Again, thanks for the help and I won't have a problem recommending your services to others.**

**Sincerely,**

A handwritten signature in black ink, appearing to be 'David Chase', written over a horizontal line.
